Good afternoon Avery,

Please find our response to your recent FOI request:

1. What is your housing stock?

We currently have 520 units.

2. What is your process for allocation?

Here is a link to your Allocations Policy on our website:
https://provanhallha.org.uk/data/Allocations_Policy_Apr_25_2025_09_03_09_31_38_784.pdf

3. What are the numbers of those on your waiting list for homes? If possible could it be broken down to those who are looking for move into more suitable accommodation. i.e needing a bigger living space or a smaller living space.

We currently have 1036 live applications on our wiatining list. Applicants are placed into the appropriate group based on our allocations policy. Below is a table of the number of applications in each group currently:

Waiting List Group	Number of Applications in Group
Serious Housing Needs	383
Balanced Community	429

General Needs	224

4. How long have individuals been on the waiting list?

It wouldn't be appropriate to issue how long individuals have been on our waiting list. I can confirm that the oldest application was received in July 2011. The length of time an applicant might wait to be housed is based on a lot of factors including the type of property they require and the stock that becomes void for re-let (which we cannot control).

5. How many homes have been rented out in the last 12 months?

We have had 27 voids within the last 12 months.

6. Ethnic groups ,age categories of those waiting on houses?

We collate ethnic information anonymously and therefore unable to provide this.

Please find a table below showing the age group of the main applicant for each live application:

Main Applicant Age Group	Number of Main Applicants in Age Group
16-20	24
21-30	285
31-40	345
41-50	226
51-60	98
61-70	43
71-80	9
81-90	6

Kind regards
