Request Details

tenants evicted from your Scottish properties for anti-social behaviour

Hi there, Georgina Hayes from BBC Scotland News here.

I am making a request for information under the Freedom of Information (Scotland) Act 2002, on Tuesday 26th August 2025. Can you please provide me with:

• The number of tenants evicted from your Scottish properties for anti-social behaviour, broken down by each year, over the last ten years back to 2014/15.

If you could please provide this information in the format of an Excel table, that would be greatly appreciated.

I would like to remind you of your duty to advise and assist under the Act. As a result, please email me if you need clarification, refinement, or any questions answered regarding my request.

Many thanks,
Georgina

Good morning Georgina,

Please find attached ASB information in spreadsheet format for the past 10 years.

I can confirm we have only had one and it was in 2024/25.

I will also log the response through our FOI portal so apologies if you receive a further response.

I would however live to advise that all of this information and much more is provided on the Scottish Housing Regulators website here:

https://www.housingregulator.gov.scot/landlord-performance/statistical-information/

Charter data for all social landlords from 2013 to 2024 is available as spreadsheet downloads. I expect that 2024-25 data will also be available shortly. We would appreciate this being checked in the future before any further FOI's are submitted for information that is already publicly available.

Regards
